

Ahmed Al Qassim

CEO - Emirates NBD Capital Ltd

Ahmed Al Qassim is the CEO of Emirates NBD Capital Ltd. (Emcap), the investment banking arm of Emirates NBD Group.

Ahmed is responsible for overseeing Emirates NBD's syndicated loans, structured finance, debt capital markets, equity capital markets and advisory businesses with a mandate to drive the growth of the Group's Investment Banking franchise.

Ahmed has an extensive experience in investment banking and structured finance, working for leading local and international investment companies. He was previously the Chief Executive Officer of Dubai Group, a Dubai Holding entity, and member of the Board of Bank Muscat, Shuaa Capital, EFG-Hermes and Sun Hung Kai. Prior to joining Dubai Group, he spent a year as Director, Investment Banking at EmCap, where he led the Equity Capital Markets and M&A teams. Ahmed has previously held senior roles at General Electric and Mubadala - GE Capital.

He also holds a Master of Business Administration from the University of Victoria in Canada.
