

Mr. Naser Yousef Al Marzooqi

Naser Yousef Al Marzooqi has been with Emirates NBD Bank for over 23 years and is currently holding the rank of executive management. He is currently holding the position as Emirates NBD KSA CEO. Naser has for the majority of his career (15 years) worked in Wholesale Banking, specifically focused on Corporate banking and has held various positions culminating in his role as Deputy Head of the bank's largest exposure group known as "Large Corporates and Global Banking unit". In his initial days of banking he worked in Retail banking in the Credit card division.

Naser moved to International department in 2015 wherein he works closely as SEVP International's understudy and has assisted in governing and managing our International units. This has provided Naser with broader leadership skills and developed his international exposure across many aspects, not only in the day to day banking sphere, but also in regulatory, compliance, risk management, strategy and also HR leadership and management in different cultures and environments. In addition Naser also kept oversight of International Corporate Banking business development and growth.

Naser holds a Bachelor of Science degree from Franklin University, Columbus, Ohio where he majored in Finance (1995) and he has successfully completed intensive development programmes at IE, Barcelona (Senior Leadership Program) in 2013 and INSEAD, Paris (Finance for Executives) in 2017.
